Kyowa Kirin Announces its Organizational Change

Tokyo, Japan, June 3, 2021 – Kyowa Kirin Co., Ltd. (President and CEO: Masashi Miyamoto, “Kyowa Kirin”, TSE: 4151) announced that it will make a change in its organization as of July 1, 2021.

Outline of the change:

R&D Quality Assurance Department will be newly established within the Quality Division.

Purpose of the organizational change:

By integrating quality assurance activities of clinical and non-clinical studies into the Quality Division, execute drug development and post-marketing clinical trials activities in a more reliable organizational structure.
